DES Story Club

A place to harness children's liking for stories to develop writing, reading, and confidence.

DES Story Club will meet Mondays after school in the library (media center). Children will share stories with one another that they create themselves. Or they may choose to share old favorites.

Children will work in teams with three roles: writer, illustrator, reader (performer). They will create books out of their stories, and when ready, read them before the assembled club.

Story Club will run from April 18 through May 23.
Club meets from end-of-school to 4:45.
We can accept only 12 children, so please sign up soon. Cost: Free

Parent volunteering encouraged.
If you have questions, please contact Eric Newburger (Vivienne's Dad) at 301-602-6616

If your child wishes to join us, please turn in this form to the office.
