

Calling all 3rd, 4th, and 5th Graders

The **24 Game** club is starting soon at Davidsonville Elementary! The **24 Game** is an innovative tool that reinforces mental mathematics, problem solving, pattern sensing, concentration, and critical thinking, and kids love it because it's so much fun to play! Check out their website www.24game.com.

We will be preparing for the **24 Game Competition** which will be held in April, 2019. More details regarding the competition to follow.

The club will start in October meeting on Thursdays beginning October 25, 2018 through April, 2019 from 4:00 PM until 5:00 PM. All 3rd, 4th and 5th graders are invited to join.

Please contact Mrs. Yancey at kyancey@aacps.org if you have any questions.

Please send in the lower portion of this form to the front office.
