

## Summer Camp Fundraiser

Club SciKidz MD offers science and technology summer camps for children ages 3.5-15. Club SciKidz summer day camps introduce children to the mysteries of science through hands-on, interactive make-and-take projects and experiments. Choose from over 50 different full-day, week-long programs.

Club SciKidz and Davidsonville Elementary PTO have already partnered together to bring you the before-school Engineering club, and now they are partnering to hold a fundraiser for the Davidsonville PTO and save you money on a great summer camp! Club SciKidz is offering four weeks of camp this summer at the Mid Atlantic Community Church (MACC) located on Davidsonville Road in Gambrills.

**Save \$20 per week of camp! For every week of camp you register for, Club SciKidz will donate \$10 to the DES PTO. You must use the code to save and donate.**

**Code: DESPTO**

*Offer expires Sunday, June 3<sup>rd</sup>, 2018, and is only valid at the MACC location. Cannot be applied to previous purchases/registrations.*
