

Davidsonville Elementary School PTO

2019/2020 Membership

We invite you to join the **DES PTO** and help support our efforts to make your child's years at Davidsonville Elementary as meaningful as possible. Our goal is 100% participation. We are again offering online payments in the hopes that it makes things a bit easier.

The funds we raise enable our PTO to support enrichment programs and services, purchase technology, upgrade facilities, and benefit our students & staff in so many ways.

If you wish to make a donation to the PTO aside from the standard dues, you may include it with the membership fee. The Davidsonville Elementary School PTO is a 501-(c)(3) organization and can provide a receipt for tax purposes. **Thank you for your support.**
